Dear Colleague,

From all at the Men's Development Network (MDN) we hope this letter finds you well. We are looking forward to meeting with some of you across the second part of the year through the provision of our training, nationally.

We are writing on this occasion offering your staff, management, volunteers and all who are interested with engaging and supporting men, an opportunity to participate in very interesting and informative one day or half day training experience.

(For 12 -18 participants)

The MDN 7 Key Question's Training can be a useful support to you. (Please see Flyer )

As you will see from the information and testimonials provided, this training continues to be facilitated successfully across Ireland. Completion of this training experience provides participants with valuable insights into engaging and supporting men.

If you are interested in finding out more about this training or would like the MDN to facilitate the training in your area, please contact ...
